INVISIBLE SUPERHERO SOCIAL

During a time of increased social distancing, our community has never been closer. Thanks to our generous & caring community members and business partners, we raised $87,500 during our event to support long-term recovery efforts in Larimer County!
Community members gave back big time during our spring COVID-19 donation drive! All materials gathered together were then distributed weekly to local nonprofits so they could ease families’ pain, supply appropriate PPE, and connect donated hygiene items to people who needed them.
