For the 29th year, Dellenbach Motors has generously donated a new vehicle to United Way of Larimer County to be raffled off through its annual fundraising campaign. By giving just \$3.00 per week (\$156.00 annually), you could be one of 10 finalists selected in drawings in August, September, October, November, and December 2016. Each finalist gets a key to try to start the car in early 2017. The key that starts the car wins!
