Content provided by United Way of Larimer County and Member Organizations. While information is as accurate as possible at press time, please check with organizations to confirm information.
Dear Larimer County Community Members,

United Way of Larimer County is proud to be a part of the Northern Colorado culture - a culture that values civic participation, being part of the solution and helping a neighbor out.

At United Way, we work hard to strengthen our communities by funding efficient and effective programs in the areas of Youth & Education and Financial Stability. We believe every child and family should have the opportunity to succeed, and we also believe every person in the community has something to give. Along with donating and advocating, volunteering is an important way that citizens can support collaboration and have an impact locally. Change begins with you.

Each year United Way works with 60+ local agencies to coordinate, recruit and place nearly 3,000 volunteers in more than 500 projects throughout Larimer County. Business groups, families, youth and adults are invited to make a difference through our annual Days of Service in October, November and April. In addition, we work to connect citizens directly to nonprofits for ongoing opportunities through our online portal at www.uwaylc.org and through the publication of this guide.

We hope you will use this guide to connect with an organization that ignites your passion. The nonprofit sector needs individuals with a variety of skills and backgrounds to carry out its varied missions, and your engagement is a huge gift to local agencies and to the community at large.

Thank you for helping United Way, and all of the nonprofits of Larimer County, create a strong community for all!

Warm regards,

Annie Davies,  
President / CEO

Tracy Oldemeyer,  
Board Chair

Make a Difference Day  
October 21-27, 2019

Family Volunteer Day  
November 16, 2019

National Volunteer Month  
April 2020
We’re focused on giving of our time, talent, and treasure to nonprofit organizations who are, like us, striving to build and develop stronger communities.
United, We Strengthen our Community.

United Way of Larimer County tackles issues that matter most to our community and uses a collaborative approach to accomplish more together. We provide opportunities for businesses, individuals and organizations to be involved in strengthening Larimer County.

**Youth & Education**
We believe investing in youth is not only the right thing to do, but it is also the best way to ensure a strong economy and community. Our programs and partnerships in this area focus on kindergarten readiness, reading at grade level by the end of third grade and high school completion.

**Financial Stability**
We believe in supporting initiatives that decrease the need for future social services. Our programs and partnerships focus on a pathway from poverty to self-sufficiency through job training, case management and access to resources and support, including disaster response and recovery.

**Community Engagement**
We believe strong communities are characterized by a high level of civic participation. Our programs and partnerships focus on increasing volunteerism, collaboration across sectors, creating a pipeline of civic leaders and business engagement with the community.

**Nonprofit Excellence**
We believe the nonprofit sector plays a vital role in creating and maintaining a resilient community and that donors’ dollars should be used to fund effective and efficient programs that show results. Our programs and partnerships coordinate with more than 70 local nonprofits, funding collective impact activities, evaluation of outcomes and data-based reports for donors.

We’ve moved! We’re now strengthening the community from our new home in the Community Impact Center, a meaningful place by Brinkman, at 525 West Oak Street in Fort Collins.

Jenna Drouin
Jenna@bringthepower.org

Project Self-Sufficiency assists low-income, single parents in their efforts to achieve economic independence and become free from community and government assistance, while building and maintaining strong, healthy families. Bringing the promise of education to single parents for over 30 years.
Selfpower is the power and confidence that comes from deep within the human spirit, once it’s realized, no one can ever take it away. Our role at Project Self-Sufficiency is to simply help single parents see it, believe it, and achieve it. Our goal as an organization is to cultivate the grit and determination necessary for a lifetime of achievements for single parents and their children. Barriers such as affordable housing, mental health services, access to quality childcare, reliable transportation, and other challenging circumstances require creative intervention and intensive, personalized advising.

Volunteers are needed to assist with tutoring in many college courses (subject areas such as statistics, algebra, biology, anatomy/physiology, etc. courses) fundraising activities, clerical support, marketing or graphic design projects, and auxiliary committees. Background check required for volunteers working directly with clients.

Volunteers of America in Colorado seeks to identify and serve the basic needs of the most vulnerable individuals and families in the community. Volunteers provide services to help the northern Colorado community in a very wide variety of ways. Through the specific Volunteers of America programs, volunteers help seniors and adults with disabilities to remain living independently and socially engaged and homeless veterans to find housing solutions. These programs and volunteer opportunities include home-delivered frozen meals, senior dining program, grocery shopping and delivery, home safety improvements, companionship, caregiver respite, office/intake help, and outreach programs.

VOA also sponsors the Larimer County SeniorCorps-RSVP program, which mobilizes volunteers (55+) for service in 60+ different nonprofit agencies. It helps those volunteers find “right-fit” volunteer opportunities at those nonprofit agencies that are best suited for their passions, skills, and experience. These RSVP volunteers earn additional benefits and are members of the SeniorCorps of volunteers making a difference across our community and country.

Project-based internships are also available in the areas of marketing, program development, event planning, education, and administration.

Volunteers of America serves all of Larimer County, including Berthoud, Bellvue, Estes Park, Fort Collins, Loveland, and Wellington.

B.A.S.E. Camp, Inc. provides safe, affordable and accessible childcare and enrichment services to Larimer County children in kindergarten through seventh grade during out-of-school times. Like working with kids? Want to help? Volunteer with B.A.S.E. Camp (Before and After School Enrichment)! At B.A.S.E. Camp we provide safe, affordable and accessible out-of-school times activities that support learning, growth and fun and we are looking for volunteers to help enrich our programming with their energy and skills. Our volunteers work directly with children in one-on-one and group settings and assist the staff in implementing activities, engaging and supervising children and helping to build and maintain positive relationships with families and school staff. We are looking for volunteers to be guest speakers on a topic they are passionate about, act as one-on-one mentors, share their personal interests with youth or just be a part of our team. With programs offered annually at 33 elementary school sites and four preschool sites throughout Larimer County.

B.A.S.E. Camp has a wide variety of volunteer opportunities to work with some (or all) of the 2,500 children we annually serve. Volunteers are also needed to help with administration, marketing, or other tasks that do not involve direct interaction with youth. Volunteers must provide a clean background check through Verified Volunteers before starting. The background check starts at $17 with B.A.S.E. Camp covering half of that amount. We look forward to working with you soon!

Below are agencies in Larimer County that have a need for volunteers. For the most up-to-date and detailed information about volunteer opportunities with youth and families, please contact United Way of Larimer County at volunteer@uwaylc.org or visit www.uwaylc.org/volunteer.
It is the mission of the Longs Peak Council, Boy Scouts of America to develop character, competence, integrity and leadership in today's youth through quality programs, outdoor experiences, and service to community. The Longs Peak Council provides opportunities for volunteers to serve as adult mentors to youth in grades first through 12th. Mentors can serve as Merit Badge Counselors (sharing your expertise in your professional field or hobby, and mentoring a Scout through a curriculum in order for the Scout to gain experience through hands on learning of a new skill or trade); organizing camping activities; weekly leadership opportunities; and much more.

CASA of Larimer County provides a voice in court for abused and neglected children. CASA volunteers are appointed to represent the best interests of children who have been victims of abuse or neglect. CASA volunteers come from all walks of life. They have a variety of professional, educational, and ethnic backgrounds. No special experience is required. Volunteers are selected on the basis of their objectivity, competence, and commitment. Volunteers must be 21 years of age. CASA volunteers go through an intensive screening and training process before being sworn in by the Chief Judge to become a Court Appointed Special Advocate.

Volunteers visit with the children weekly, gather information from family members, medical professionals, teachers and therapists, and then make recommendations to the court regarding services for and placement of the children. CASA volunteers commit to stay with each case until it is closed (usually 12-18 months) and the child is placed in a safe, permanent home. For many abused children, their CASA volunteer will be the one constant adult in their lives during this difficult time.

CASA also facilitates the Harmony House. Harmony House volunteers spend approximately two hours training to be a supervised visitation volunteer. Our volunteers take an active role in supervising and documenting visits between children and their non-residential family members. Visits are generally two hours in length and our volunteers arrive 15 minutes prior to the visit and stay 15 minutes after the visit to spend time with the children during the transitions. We request a minimum six-month commitment of our volunteers, supervising visits either weekly or every other week. This volunteer position is very important as the documentation of visits and exchanges may be used in court to determine custody and permanent placement decisions.

Our mission is to enable children with speech-language and reading delays and disorders to communicate clearly and effectively so that they may reach their full academic, social and developmental potential. Volunteers are needed to help with administrative tasks, cleaning therapy materials, and fundraising events. Youth volunteers ages 14+ supervised.

Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. The Club environment consists of a safe place, staffed by trained professionals, offering proven programs. Our five Clubhouses in Fort Collins, Loveland, and Wellington are open daily after school until 7:00 p.m., and from 7:30 a.m. to 6:00 p.m. during the summer and all school breaks. With a focus on positive outcomes in the areas of academic success, character and citizenship and healthy lifestyles, and a membership fee of just $20 per year, we open the door to GREAT futures for kids and teens in our community. To diverse cultures and experiences, and model positive behaviors during club hours.

Volunteers provide caring relationships, expose members to diverse cultures and experiences, and model positive behaviors during club hours. Volunteers are connected with opportunities that match their availability, skills, and interests working directly with members, small groups, providing staff support, or assisting with programs and special events. Volunteers must pass a criminal background screen and attend volunteer orientation.

Kids at Heart provides respite opportunities for foster, adoptive, and kinship families and the children in their care. Volunteers assist with Fundango, our regular respite program for children ages 6 months -16. Fundango events take once or twice a month in Fort Collins and Loveland. Volunteers attend one training the first time they volunteer which is at 3:30 the day of the Fundango. Trained Volunteers arrive at 4:15 to help with set up for the Fundango event and all volunteers are usually able to finish up around 8:30pm. Volunteers interact with and supervise youth while participating in various activities with the youth throughout the event. Volunteers are also needed to plan activities and meals for Fundango events. Volunteers are 18 and older. Youth volunteers 15+ may be able to attend unsupervised, pending approval from the volunteer coordinator or the Director.

**Loveland Youth Gardeners**

Loveland Youth Gardeners cultivates skills, promotes stewardship, and serves young people through sustainable gardening and healthy living practices. Volunteers are the foundation of every program and service that Loveland Youth Gardeners provides. Opportunities include serving on the board of directors, working directly with youth through year-round education programs, participating on a committee like the Loveland Garden Tour or Resource Development, or sharing your garden produce with the Loveland Plant a Row for the Hungry program. The mission of The Center for Family Outreach (The Center) is to help Larimer County youth (ages 8-18) and their families achieve and sustain long-term positive changes and healthy relationships. We do this by providing individual assessment, education, and custom designed programs to develop successful and positive citizens.

The Center for Family Outreach has a successful tradition of excellence with providing education, prevention, and early intervention programming for youth and their families. We are a family resource center, which provides one-on-one case management, early intervention strategies, and academic monitoring services for youth and families struggling with substance abuse, mental health issues, high family conflict, and youth displaying at-risk adolescent behavior for ages 8 to 18. We identify the student’s individual needs and the family’s unique set of strengths and challenges. Our services facilitate the earliest identification of risk factors for emotional and behavior difficulties. Background and fingerprints will be required of all volunteers.

The Family Center/La Familia

The Family Center/La Familia is an affordable, high quality, family and early childhood center that strengthens all families. We are a family resource center that provides a wide variety of programs including, but not limited to adult education courses, health and wellness programs, parenting classes, youth programs, and other services and supports.

Here at The Family Center/La Familia we have a variety of volunteer opportunities from our After School Program that runs Monday – Friday, 4:00 – 6:00 p.m. where are volunteers assist in homework help and other activities with elementary aged children, to our Early Childhood Center where volunteers provide care to infants, toddlers, and pre-school students anytime between 9:00 a.m. – 12:00 p.m. or 2:30 – 5:00 p.m., Monday-Friday. We also see people who are passionate about healthy living to lend help with cooking classes and healthy kids programs. Volunteers are also especially needed for childcare during Adult Education classes, as well as for work in our on-site community garden. Youth volunteers ages 16+ unsupervised. Background checks are required of all volunteers. A higher level background check is mandated for those volunteering in our licensed facilities. Attend an orientation to find out more!

The Matthews House empowers youth and families by building trusting relationships and providing resources to disrupt the cycles of poverty and abuse. Volunteer opportunities include working directly with youth and families include being an after-school Homework Helper, mentoring a youth one-on-one, helping with childcare during adult classes and groups, assisting with Experiential Education activities, and providing transportation. Volunteers are also needed to assist with meal/snack provision and preparation, fundraising and special events. Most opportunities are ongoing throughout a semester-long session, though there are one-time opportunities as well.

Turning Point for Youth and Family Development, provides a high-quality, structured, and therapeutic environment with growth and change opportunities for everyone involved. Volunteers can serve in a classroom support role to assist individuals and small groups by tutoring at Turning Point’s school in Waverly, 9:00 a.m. – 3:00 p.m., Monday – Friday. Residential support volunteers assist staff in providing supervision and guidance to youth living in residential programs evenings and weekends. Sponsors work with youth in the Drug and Alcohol Treatment Program. Circles of Support Mentors join with other volunteers in working together to mentor a small group of youth. Volunteers are also needed to serve in the administrative office and assist with a variety of programs. Background checks required and volunteers must be age 21+.
Volunteering empowers people of all ages to become active citizens who build an inclusive and resilient community. Whether for a school project, personal growth or just to keep themselves out of trouble, youth volunteers can affect real change. In addition, studies show that two-thirds of children who volunteer are more likely to do so as an adult.

United Way of Larimer County works to mobilize these philanthropic leaders of tomorrow by encouraging them to volunteer. Here are some ideas for volunteer opportunities for youth:

1. DONATION DRIVE – Most nonprofits have a wish list posted on their website of supplies needed to directly impact the agency’s mission. Community support is crucial to the success of nonprofits, and donation drives help strengthen our community. Host a donation drive by gathering items for those in need—make it fun by involving a group, having a contest or throwing a party!

2. VOLUNTEER AS A FAMILY – Many agencies allow kids and teens to volunteer with a parent or guardian. And when adults are involved, young people tend to be more optimistic and excited about the volunteer opportunity. Help the youth in your life gain valuable skills and life experience! Reach out to your favorite organizations and ask if they have supervised youth volunteer opportunities.

3. WALK / RUN FOR A CAUSE – Our community loves the outdoors and that’s reflected in the dozens of walk, runs and bike rides held by our local nonprofits each year. Visit your favorite organization’s website to see when they are hosting a walk / run and when. Kids too young to participate? Volunteer to cheer on others at the finish line!

4. FUNDRAISING SPECIAL EVENT – Organize an event to raise money to help an agency you’re passionate about. Your fundraiser could be a bake sale, tag sale, car wash, lemonade stand, penny drive, craft sale or whatever you imagine!

5. SERVICE-TO-GO PROJECTS – United Way of Larimer County offers a number of projects you can complete “on the go” for local agencies. These projects can help further children’s basic learning abilities or provide essential items to help ensure basic needs are met. Learn more at www.uwaylc.org/Service-To-Go

6. CONTACT YOUR FAVORITE NONPROFITS – Use the Volunteer Resource Guide as a launch pad for connecting to agencies and causes you are passionate about. Look for this icon next to agencies to see which ones offer youth volunteer opportunities. And remember - it never hurts to ask how you can help outside of traditional volunteer roles.
Building a bright, healthy future together.
